

Envision

Mission Recycle Utah's Mission is to provide leadership and education to promote waste reduction, reuse, recycling, backyard composting and water conservation in Summit and Wasatch Counties, UT. **Vision** Recycle Utah's Vision is the creation of a Zero Waste Plan in order to eliminate waste and pollution in the manufacture, use, storage and recycling of materials.

Conserve

RU works with and educates the community to conserve natural resources, especially water, energy & landfill space.

- RU collects an average of 35 tons of glass per month! RU has collected over 45,000 lbs of hazardous materials.
- RU accepts any kind of paper, cardboard, paperboard, aluminum, cans, metal, and all plastics. We also recycle batteries, moving boxes, Styrofoam peanuts, bubble wrap, cellular phones, mercury thermometers, and any plastic bags.

Learn

RU provides educational services, free composting workshops, drop-off centers in Park City, Kimball Junction, Coalville, Kamas and Heber City, and Hazardous Waste Drop-off Events.

Our "Good Wood" Project (at the Park City center) is the only program of its kind in Utah!

Our main source of revenue is the generosity of our members.
