or just call us at 435.649.9698.

Recycle Utah is a non-profit (501(c) (3) organization;

Federal Tax ID# #87- 0480848

Recycle Utah's Mission is to Empower People to Lead Sustainable Lives.™

In 1991, a group of concerned citizens established the Park City Conservation Association which operates as Recycle Utah to collect recycling, promote water conservation, and envision a zero-waste plan for Summit County, Utah.

- Recycle Utah prevents 200 tons of recyclables from being landfilled every month.
- Recycle Utah accepts 50 different items from households and businesses and maintains satellite collection locations in Kimball Junction, Oakley, Kamas and Heber.
- Environmental teachers visit 4,000 school children in classrooms every year.
- Recycle Utah serves about 80,000 people in Summit and Wasatch Counties.

Recycling Tips

Look for the recycling symbol on or near the bottom of plastic containers:

Plastic #1- pop bottles, water bottles, etc.

Plastic #2- milk jugs, etc. (Foggy only)

If you see no symbol, plastic can be recycled as "mixed plastic" #2-7.

The recycling symbol with a percentage inside indicates the percentage of recycled content in a product such as paper or cardboard.

Tips for Composting

Plant-based waste is the perfect source for compost-nature's ultimate recycled product. Learn how to turn your green kitchen and yard waste into rich, natural fertilizer at our composting classes throughout the year. Pick up a kitchen compost carrier and a composter at Recycle Utah today. More information at www.recycleutah.org.

Hazardous Materials Drop-Off Information:

- Collected at the Three Mile Canyon Landfill, Monday -Saturday 8am-4pm. Call 435.336.5297 for more information
- Don't flush those meds! Drop them off instead at the Park City Police Station on Park Avenue. The drop-off box is available 24/7, just inside the building.
- We hold an Annual Household Hazardous Waste Collection Event during May in Canyons Parking Lot. (Check www.recycleutah.org for date & details)

Materials Accepted at Other Recycle Utah Locations

- Kimball Junction (WalMart parking lot): mixed paper & aluminum cans
- Kamas (behind Summit County Search & Rescue): mixed paper & aluminum cans
- Heber City (Smith's Food parking lot): mixed paper

SUSTAINABILITY IS EVERYONE'S BUSINESS:

Your Guide to Recycling in Summit & Wasatch Counties

MATERIALS ACCEPTED at the Woodbine Way Center

Outside Bins

- Aluminum cans
- Corrugated cardboard, paperboard, waxed cartons with plastic removed
- Glass: clear, green, brown, blue
- Mixed metal, steel/tin cans, foil-lined bags such as coffee bags
- Mixed paper — newspaper, magazines, catalogues, phone books, books, paper bags and “any paper that comes in the mail”
- Tetra Pacs (foil-lined containers with plastic caps removed)
- White & pastel office paper
- 55 gallon drum for disposal of cooking oil only

Plastics Tent

Please rinse and crush all plastics, and remove caps which are recycled separately. Please, NO food residue, NO metal, NO styrofoam, NO rubber.

- **Plastic bags** — grocery bags, clean inner bags from cereal & cracker boxes, other plastic bags
- **#1 PETE** plastics such as transparent soda, juice & water bottles
- **#2 HDPE** opaque plastics (milk jugs, water jugs) please, no solid colored plastics
- **#2—#7 Colored & Mixed Plastics**
- Large plastic items such as lawn chairs, buckets, bins, etc. are accepted in the baling bay (see staff for details). NO PVC pipe in this bag

EPS Packing Foam Collection

EPS Foam Blocks. No food residue in containers or cups. Foam will be densified to reduce volume. White blocks of clean foam only. It will be densified to reduce volume. Packing peanuts are accepted inside the office.

Moving Boxes & Packing Materials Reuse Program

Donate your moving boxes, bubble wrap, packing peanuts, and packing paper for others to purchase at a great price.

E-Waste Collection Daily (Located in The Warehouse)

- TVs, microwaves, computers, keyboards, CPUs, printers, laptops, any electronics. We charge a nominal fee to process these items.

Commercial Grade Paper Shredder

Available during business hours - can shred up to 30 pages at a time. \$5 donation suggested per use.

Items Accepted Outside: May – October

- Bike tubes & tires
- Planter pots (plastic), all sizes
- Wooden pallets

Terracycle Program (more info www.terracycle.net)

- Energy bar wrappers (all brands)
- Drink pouch containers
- Frito Lay brand chip wrappers

Inside Bins (Inside Our Office):

Recycle your alkaline batteries, rechargeable batteries (Ni-Cad, Ni-Mh, Li-ion, or Pb), empty ink & toner cartridges, cellular telephones, pagers, PDAs, iPods, CDs, jewel cases, Tyvek envelopes, packing peanuts, tennis & running shoes, child car seats, flags, guitar strings, crayons. Ask us about our new bra (*yes, we said “bra”*) and snow sports recycling programs.

Mercury-Containing Items

CFLs, light tubes, mercury thermometers & thermostats.

THE WAREHOUSE

A unique way of recycling usable construction materials, cabinets, appliances and more!

Did you know that construction activities generate over 40% of the solid waste in our landfills? Recycle Utah's Warehouse is the best solution to the problem of how to re-use construction material. If you've got a project, come check out The Warehouse's inventory for great deals.

Goals of The Warehouse

- Develop partnerships with local contractors to obtain “good” wood at new construction sites.
- Capture other building materials such as doors, windows, sinks, toilets, hardware and fixtures from remodeling projects.
- Re-use working appliances such as washers, dryers, stoves, and dishwashers.
- Provide a community thrift store for the sale of wood and other desirable materials.
- Extend the life of Summit County's landfills.

Help Recycle Utah stay in business! Your donations to The Warehouse make a difference- thank you!
