Four satellite centers around the area accept a variety of these items as well. PCCA has an education program designed for students in grades K-12, as well as education programs for government, business, and other organizations. This also aims to educate the community regarding re-use options, yard waste reduction and composting, and general sustainability issues. The association has a very large ReStore program. The program allows unused building materials and shipping and storage materials to be dropped off at the center to be claimed and used by other patrons. This significantly reduces the amount of waste in the landfill and provides a community thrift store for the sale of wood and other desirable materials.
